Curriculum Vitae

Name: Moses Gitonga

Contact Information:

- Email: infosec947@gmail.com
- Phone: 0757 5732 41

Education:

- ALX Software Engineering Program (Graduated March, 2024)
- Cisco Certified Network Associate (CCNA) - CCNA1 (Completed December 2022)

Skills:

- Programming Languages: Python, C, JavaScript, Bash
- Web Development: Flask, Node.js, Express.js,
- DevOps: Linux, shell scrpting, Nginx, Load balancing
- Networking: Subnetting, router and switch configuration,knowledge of networking protocols, Ethernet cable termination
- Problem-solving
- Teamwork

Projects:

- GeoChat – a full stack chat application for connecting to nearby ALX students who are scattered all over Africa. I used node.js, express.js, socket.io, mongodb, redis and vanilla js.

- AirBnB Clone – A fullstack AirBnB web clone. I built it using Python flask, sqlalchemy, mysql and jquery.

Work Experience:

- while still at ALX, I did an Internship at CodSoft as a Python Programmer and I was awarded a certificate for my quality work. During the Internship I did several projects to do with CRUD operations.

Certifications:

- Cisco Certified Network Associate (CCNA)
